

## Student Enrollment by Self-Reported Pronouns, Gender Identity, and Sexual Orientation

Students have the option to report their preferred pronouns, gender identification and sexual orientation in PeopleSoft. This is a look at the information for students enrolled at spring census 2022-23. **Blue** bars represent undergraduates and **orange** bars represent graduate students.

Note: Spring Census enrollment of 12,810 undergraduate students and 5,733 graduate students.
