## H. FINANCIAL AID

### Aid Awarded to Enrolled Undergraduates
Enter total dollar amounts **awarded** to enrolled full-time and less than full-time degree-seeking undergraduates *(using the same cohort reported in CDS Question B1, “total degree-seeking” undergraduates)* in the following categories. (Note: If the data being reported are final figures for the 2009-2010 academic year (see the next item below), use the 2009-2010 academic year’s CDS Question B1 cohort.) Include aid awarded to international students (i.e., those not qualifying for federal aid). **Aid that is non-need-based but that was used to meet need should be reported in the need-based aid columns.** *(For a suggested order of precedence in assigning categories of aid to cover need, see the entry for “non-need-based scholarship or grant aid” on the last page of the definitions section.)*
