

## Summary of Changes for the 2017-2018 Common Data Set

### 1. Graduation Rates Update in Section B

*A significant overhaul of the way in which graduation rates are reported for bachelor's and other equivalent programs has been implemented. No changes have been made to the reporting for two-year programs. Going forward, the CDS will ask you to disaggregate the cohorts that previously appeared in B4-B11 into the following four groups:*

- *Students who received a Federal Pell Grant*
- *Students who received a subsidized Stafford Loan who did not received a Pell Grant*
- *Students who did not receive either a subsidized Stafford Loan or a Pell Grant*
- *Total (all students regardless of Stafford Loan or Pell Grant status)*

*On the 2017-2018 CDS, this revised section appears as below:*

#### **Graduation Rates**

The items in this section correspond to data elements collected by the IPEDS Web-based Data Collection System's Graduation Rate Survey (GRS). For complete instructions and definitions of data elements, see the IPEDS GRS Forms and Instructions for the 2017-18 Survey.

In the following section for bachelor's or equivalent programs, please disaggregate the Fall 2010 and Fall 2011 cohorts (formerly CDS B4-B11) into four groups:

- **Students who received a Federal Pell Grant\***
- **Recipients of a subsidized Stafford Loan who did not receive a Pell Grant**
- **Students who did not receive either a Pell Grant or a subsidized Stafford Loan**
- **Total (all students, regardless of Pell Grant or subsidized loan status)**

\*Students who received both a Federal Pell Grant and a subsidized Stafford Loan should be reported in the "Recipients of a Federal Pell Grant" column.

For each graduation rate grid below, the numbers in the first three columns for Questions A-G should sum to the cohort total in the fourth column (formerly CDS B4-B11).

#### **For Bachelor's or Equivalent Programs**

Please provide data for the Fall 2011 cohort if available. If Fall 2011 cohort data are not available, provide data for the Fall 2010 cohort.

**2. SAT Updates in Section C**

*Section C9 has been updated to reflect the changed structure and scoring of the SAT exam. Respondents have been provided instructions to convert Old SAT scores to New SAT scores using the College Board concordance tools and table. On the 2017-2018 CDS, this revised section appears as below:*

**C9. Percent and number of first-time, first-year (freshman) students enrolled in Fall 2017 who submitted national standardized (SAT/ACT) test scores.** Include information for **ALL enrolled, degree-seeking, first-time, first-year (freshman) students who submitted test scores.** Do not include partial test scores (e.g., mathematics scores but not critical reading for a category of students) or combine other standardized test results (such as TOEFL) in this item. Do not convert SAT scores to ACT scores and vice versa. **Do convert Old SAT scores to New SAT scores using the College Board’s concordance tools and tables ([sat.org/concordance](http://sat.org/concordance)).**

For each assessment listed below, report the score that represents the 25<sup>th</sup> percentile (the score that 25 percent of the freshman population scored at or below) and the 75<sup>th</sup> percentile score (the score that 25 percent scored at or above).
